

# DP 3600-ERT

Digital Radio with Text Messaging

Secure Digital Radio for First Responders  
Emergency Response Teams & Incident  
Managers.

A Unique MOTOTRBO System  
That Benefits Rapid Response.

 **MOTOTRBO™**

## Features

**Secure digital** voice communications. Prevents eavesdropping.

SMS like **Text Messaging** for instant notification of alarms and events.

Radio housing meets IP57 specifications; **submersible** in 1 metre of water up to 30 minutes.

**Emergency button** to alert supervisor or dispatcher in an emergency situation.

Three side programmable buttons for easy access to favourite features. New features such as **one-touch calling** and **quick text messaging** are made even easier through programmable button access.

Large, textured push-to-talk button. Provides good tactile response and **easy access**, even when wearing gloves.

Sigteq has been appointed a licensed developer for the Motorola Professional Radio series
